

Dear S&Cers,

As most of you are making your plans for the coming term in office, I would like to introduce you some possibilities for Institutional Study Visits in Brussels.

In addition to the EU institutions and other international institutions, ELSA has a special cooperation with the European Voice and INTA.

### **European Voice: EU Studies Fair 12-13 February**

The European Voice is a journal specialized in European Union issues, and it is also the Media Partner of ELSA. The European Voice organises the annual EU Studies Fair in Brussels on 12-13 February 2010. The event is a two day education and networking event bringing together prospective students, corporations and academic institutions. The focus is career advancement for young professionals by presenting postgraduate programmes in EU Studies, International Relations, Business, Law and internship opportunities. For more information on the event, please visit [www.eustudiesfair.com](http://www.eustudiesfair.com).

If you wish to participate in the event with your group, please let me know by the end of September. European Voice can even help with practicalities such as flights and accommodation. We can also ask for a special programme or lecture for ELSA members.

### **INTA (International Trademark Association)**

INTA is a not-for-profit membership association of more than 5,000 trademark owners and professionals, from more than 190 countries, dedicated to the support and advancement of trademarks and related intellectual property. They have their headquarters in New York and an office also in Brussels. For more information on INTA, please visit [www.inta.org](http://www.inta.org).

ELSA has a cooperation agreement with INTA, and one of the means for cooperation are Institutional Study Visits. If you wish to visit the INTA office in Brussels and have a lecture from their experts, please let me know at least 4 weeks before the visit.

When you are in Brussels, you are of course welcome to visit the ELSA House. The International Board is happy to tell about ELSA and about our work, and to have a good time in the ELSA House. If you wish to have a more detailed presentation or training on some issue in ELSA, know about your visit as soon as you start planning it. I hope to see you in Brussels!  
All the best,

Sofia Kallio
